## Happy Feet / Learning Feet

Happy Feet/Learning Feet is a collaborative program that provides shoes to selected income eligible students pre-K through 12th grade in Henderson County. Over 150 pairs of shoes have been provided this year.

The Henderson County Schools Family Resource/Youth Service Center Directors identify the eligible students for the program. These students are given shoe vouchers by the FRYSC's with funds provided by the Happy Feet of Henderson County. Children can redeem these vouchers at a local shoe store, where they are sized and properly fit. They get to choose a pair of shoes, one of the greatest aspects of this program, from a predetermined selection, based on the price. The average cost per pair of shoes is \$30. These shoes vouchers are provided on an as needed basis throughout the school year.

We are asking for your support to help put smiles on faces and quality athletic shoes on the feet of hundreds of students.

New shoes = Increased Self-esteem.

All donations are tax deductible. Ways to help:

- Personal donation
- Organize your club or organization to sponsor
- Ask your employer to sponsor

Along with a Thank You note, the picture above was sent to Cairo's and Niagara's FRC Coordinator Samantha Sigler from a parent after picking up their child's Happy Feet shoes for back to school.
